H.R. 3965: Veterans Armed for Success Act

Background:

The Veterans Armed for Success Act would require the VA Secretary to provide grants to eligible third-party organizations to offer additional transition and employment assistance services to recently separated veterans. This private-public partnership would be authorized for five years.

The Message:

- We have a duty to provide servicemembers with the resources they need to be successful upon their return home.
- This bill would provide additional transition and employment assistance services for recently separated veterans.
- This private-public partnership would be authorized for five years.
